

## **GOD Made Dirt!**

It's amazing to know that **Jesus** was not afraid to get **His** hands dirty. He worked for a living with tools and continued to be hands on and approachable in **His** ministry. The blind man asked **Jesus** to heal him and **Jesus** knelt down got some dirt and mixed it with spit and packed his sockets with mud.

On another occasion, a woman caught in adultery was brought to **Him** and the people wanted her killed according to the law but **Jesus** knelt down and wrote in the sand "Let the one without sin throw down the first stone". She was not accused by men or **God**. No matter how dirty you're past or present, **God's** not afraid to get his hands dirty.

**Jesus** wants us to come to **Him** and:

1. Admit our Sins.
2. Repent, turn around walk the other way. Let the **Word of God** purge your hearts.
3. Except **Jesus** as your one and only savior.
